

You Must Trust Me

Prophetic Word

One of the biggest revelations that I will develop in you is the knowing that you can Trust your life to Me; that you can truly Trust all things to Me. Most of My children do not have this basic revelation. So know that the situations or classrooms I put you in are tied into and based on the revelation of Trust. It is the foundation on which I build you and cause you to mature.

Worry is not of My Kingdom. To live in My Kingdom, you must trust Me with your life. All else is fear and there is no fear in My Kingdom. I so want to show you the truth of My ability to supply all of your needs but I can't if you won't let Me.

Either you trust Me to take care of you
and you live your life accordingly,
or you don't!

It's your choice, It is always Your
choice!
